

PRIVACY STATEMENT

If you ask us to contact you:

- You consent to your submitted data being collected and stored so that Cantillon can get in contact with you in regards to your query. This data will not be used for marketing or given to third parties and will be deleted once communication is complete.
- We will store the contact details you provide us with, and any information about your enquiry, for the sole purpose of contacting you to determine if we can help you.
- We take precautions — including administrative, technical, and physical measures — to safeguard your personal information against loss, theft, and misuse, as well as against unauthorised access, disclosure, alteration and destruction.

If you visit our website:

- We use online tracking data for users who visit our website for analytical purposes only.
- At no time do we use your IP address or any other online identifier or means to further identify or contact you.
- We will also use these anonymised website visits to better understand which features and information on our website are most popular, and to develop, deliver and improve our website.
- The company
- individual online identifiers such as your IP address, other than to determine the country from which you accessed our website, which we would aggregate into anonymous statistical information only.
- The only cookie we use when you visit our website is Google Analytics.
- We use this to understand how the site is being used in order to improve the user experience.
- User data is all anonymous.
- Our website has a clear cookie opt-out option and message the first time you visit our website.

Privacy Policy Changes

Our Privacy Policy may change from time to time. We will post any privacy policy changes on this page .
